As part of the Big South's 30th Anniversary celebration in 2013-14, the conference announced its first-ever All-Decade Teams to recognize the student-athletes and coaches who excelled in their respective sport since the conference's founding in 1983. A committee of Big South Conference administrators served as the official voting panel to determine the All-Decade Teams, with fan voting comprising 20 percent of the overall total. Volleyball All-Decade Team candidates are determined based on being at least one of the following: 1) Was a multiple All-Conference honoree; 2) Was named an All-American; 3) Is a member of the Big South Conference Hall of Fame; 4) Student-athletes must be a college graduate or left their respective institution in good academic standing; 5) Won a Conference Championship as a coach and/or was voted Conference Coach of the Year; and 6) Players of the Year, Tournament MVPs and First-Team All-Conference honorees were among the candidate pool for the 1986-89 All-Decade Teams. Candidates that participate in two different decades are placed in a specific decade based on consultation from member institutions. Member institutions also have final determination in regards to inclusion of student-athletes and coaches. The next Volleyball All-Decade Team will cover 2010-19 and will be announced following the 2019 season.

Single-season records for 1986-2000 are based on 15-point sideout scoring format.

Annual Leaders - Individual

The format of a match changed in 2008. The term "game" was changed to "set." Also, scoring for each set moved from 30 points to 25 points, except in matches that go to the full five sets, in which the winning score in the fifth set remains 15 points. The match format previously changed in 2001, with scoring for each set moving from 15 points to 30 points, except in matches that went to the full five sets, in which the winning score in the fifth set remained at 15 points. In reflection of these changes, category leaders under the different scoring format are separated in order to not eliminate the achievements of those student-athletes who played with the previous format. To be ranked, a player must have appeared in 66.7 percent of her team's sets.
