Clarion Wrestling

Clarion University has produced some of college wrestling’s greatest names.

Clarion Golden Eagles have placed forty-six All-Americans and eight National Champions at the NCAA tournament. Today's young men can learn in the same environment that produced these legendary men of wrestling.

We offer a variety of camp options that will meet the needs of the most advanced wrestler to the beginning athlete. Camps stress the importance of wrestling technique, as well as mental preparation, weight management, and strength and conditioning practices tailored to each camper’s needs. All camps are staffed by NCAA Division I wrestlers in training for the collegiate season and summer Olympic-style competition.

Clarion Wrestling provides specialized camps for whatever your needs may be!

**TEAM CAMPS**  
**June 19-22***

Team Camp is open to both INDIVIDUALS and TEAMS looking for technique development and daily competitions. All junior high and high school wrestlers receive one-on-one coaching and the opportunity to wrestle in at least 11 refereed matches.

Individuals are appropriately placed onto a camp team so that weight classes are evenly divided for competitions. Campers compete in every dual meet and the individual tournament at the end of the week. We use the Madison system for weigh distribution, allowing each team to form a 14- to 16-man roster for dual competitions. If a school team cannot fill the roster, individual campers will fill in weight classes for dual meets.

Awards will be given to the championship team and the champion from each individual bracket. Athletes will have the opportunity to take two competition awards home from camp.

**TECHNIQUE CAMP**  
**June 19-22***

Campers will enjoy detailed instruction in all areas. Wrestlers will build on basic skills, as well as develop advanced techniques that will show next season. The sessions will include plenty of time to review new techniques so campers can bring something home from camp, in addition to the great memories. Live wrestling sessions will be woven throughout the daily schedule to allow wrestlers to apply what they’re learning to match situations.

**Clarion University** is located off I-80, Exit 64.

**FATHER/SON CAMP**  
**June 24-26***

Parents and wrestlers learn wrestling skills and techniques while enjoying a weekend together doing what they love—wrestling! Time is given both on and off the mats to focus on fundamental takedowns, pinning combinations, escapes, and defensive techniques. Campers receive three sessions on Friday and Saturday before closing out camp with a mid-morning session on Sunday. Parents receive mental and physical coaching tips to help their sons prepare for wrestling matches and tournaments.

Whether you’re an experienced wrestling dad or a newcomer to our sport, the camp will improve your knowledge and love of wrestling. The community also provides many extra opportunities for a parent and wrestler to enjoy time off the wrestling mat. The Clarion River, Cook Forest State Park, and local outdoor activities allow for excellent quality time that both will remember for a lifetime. Campers usually range in age from 5-12 years old.
