The Mid-America Athletics Association Player of the Year was the Central Region leader with 147 total bases (12th most in DII baseball). GUS VARLAND

Concordia-St. Paul Golden Bears RHP | 6-1 | 190 | Jr. Maplewood, Minn.

CENTRAL REGION PITCHER OF THE YEAR 7-1, 1.04 ERA, 0.81 WHIP 60.1 IP, 79 K, 15 BB, .163 opp avg 5.3 K-BB, 11.8 K/9, 2.2 BB/9

Gus Varland, the NSIC Pitcher of the Year, finishes his season with a 1.04 earned run average, ranking second in the country and leading the Central Region. His region-leading 0.81 WHIP and 5.07 hits allowed per 9 innings also rank third and fifth in the nation, respectively. His 11.8 strikeout per 9 inning rate also ranks third in the region, second in the NSIC and 25th nationally.

Concordia's weekend number one starter, Varland held opposing lineups to four hits or less in seven of his nine starts, didn't allow more than seven in any game on the year and never allowed more hits than innings in his nine starts. Further, he struck out at least nine batters in seven of his nine starts with eight of his nine starts coming in 7-inning contests, eclipsing 100 pitches just twice on the year.

He pitched a pair of 1-hitters and a 2-hitter, coming one out away from his second career no-hitter in a shutout over U-Mary.

For the second time in three years, he pitched into the ninth inning of a second round NSIC Tournament game that helped propel the Golden Bears to the NSIC Tournament championship game and is a two-time NSIC All-Tournament pick.

He anchored a Concordia staff that ranked seventh in Division II and second in the Central Region in ERA (3.43), ninth in DII and second in the region in hits al-

The 2018 team features twice the amount of repeat all-region performers led by three-time all-region pitcher Dalton Roach of Minnesota State. Roach was a second team pick as a freshman in 2015 before a first team selection last year. He becomes a two-time second team selection as a senior in 2018. The reigning D2CCA Division Il Pitcher of the Year, Augustana's Jacob Blank is the only repeat selection to the first team. After earning second team honors last year, Henderson State pitcher Bryant Haralson earned second team honors for his senior campaign. Northern State outfielder Jack Schmidt was a second team all-region selection as a sophomore in 2016, graduating to first team honors in 2018 as a senior. Oklahoma Baptist catcher Juan Gonzalez and Nebraska-Kearney designated hitter Dallas Schramm each repeat as second team all-region players in their junior and senior seasons.

Of the 33 student-athletes to earn All-Central Region honors, 22 are seniors (up seven from 2017) with 10 juniors while the only sophomore is first team first baseman **Reed Hjelle** of Minnesota Crookston, the NSIC's Player of the Year.

Arkansas-Monticello led the way with four all-region selections with one first team selection and three named to the second team. Four other teams had three selections with Augustana standing out with two of its three players making the first team. Nebraska-Kearney had one first team selection, the Central Region Player of the Year (Achtermann) along with a pair on the second team while Pittsburg State and Oklahoma Baptist each had three second team choices. Of the four teams with two players to make All-Central Region, Emporia State and Southern Arkansas each had two first team performers, Northwest Missouri State and Henderson State each had a first and a second team player and St. Cloud State had a pair of second team selections.

Breaking down the conferences, the GAC led the way with 14 total selections which were shared between six of its league members and had seven first team members. The MIAA came in with 10 total all-region choices (four first team) with four of its 12 member schools represented while the NSIC had six of its 15 schools earn a spot with five first team picks among its nine players voted all-region.

The Division II Conference Commissioners Association All-America and All-Region Baseball Teams are sponsored by the Division II Conference Commissioners Association (D2CCA). The teams are voted on by the members of D2SIDA, NCAA Division II Sports Information Directors Association.

The Division II Conference Commissioners Association encourages and promotes Division II athletics and high standards of sportsmanship as important elements of higher education. The CCA is a key communications link among the conferences as they discuss views, policies and regulations that impact Division II intercollegiate athletics and works closely with the NCAA as a communications channel to NCAA Division II member colleges and universities.
