The 2016 Gulf South Conference Football Record Book is published by the Gulf South Conference Office. The Record Book was written and designed by Michael Anderson, with the assistance of the GSC Sports Information Directors.

HISTORY OF THE GULF SOUTH CONFERENCE

Academic excellence and a leadership role in NCAA's Division II make the Gulf South Conference (GSC) something special. Entering its 47th year, the GSC is a charter Division II member that prides itself as one of the first conferences to be created and administered by its CEOs.

We take pride in our 50 National Team Championships in 13 sports, one Individual Champion and more than 150 regional titles, especially because there is no sacrifice on the academic side, where GSC student-athletes graduate at a much higher rate than the general student body. The Conference started the 2015-16 season by earning its first-ever Individual Men's Cross Country Title when Shorter's Alfred Chelanga bested the field at the DII Championship. The GSC capped the year by securing its 50th national title when North Alabama claimed its first-ever NCAA Softball Crown.

The GSC sponsors 17 sports, including 16 championship events. Official sponsored sports include baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, men's and women's soccer, softball, men's and women's tennis, men's and women's track & field and volleyball. For the second year in a row, the Conference classified women's lacrosse as an "emerging sport" needing just one more competing institution to qualify as an official sport.

In the summer of 1970, six college presidents met to discuss athletics and when the meeting ended, a new league emerged—the Mid-South Conference. Delta State, Florence State (now North Alabama), Jacksonville State, Livingston (now West Alabama), Tennessee-Martin (UTM) and Troy State (TSU) were the charter members, but scheduling problems for the 1970-71 academic year limited the Conference to only football. Southeast Louisiana (SELA) and Nicholls State (NSU) joined in 1971 and the league opened an office in Hammond, La., changed its name to the Gulf South Conference and began championships in nine men's sports. Mississippi College (MC) and Northwestern Louisiana (NWLA, now Northwestern State) joined in 1972 and two years later, NWLA left for Division I, followed by SELA and NSU in 1979.

The conference continued with seven teams until 1981, when the CEOs admitted Valdosta State and West Georgia (1983). In 1991, UTM and TSU went Division I, briefly dropping the GSC back to seven members, but an aggressive expansion resulted in 10 new members: Lincoln Memorial (1992-93); Alabama Huntsville, Henderson State, Central Arkansas and Mississippi University for Women (MUW, 1993-94); West Florida (1994-95); and Arkansas-Monticello, Arkansas Tech, Montevallo and Southern Arkansas (1995-96). Jacksonville State moved to Division I at the end of 1992-93. MC dropped to Division III at the end of 1995-96, and was replaced by Christian Brothers to keep the Conference at 16 schools. In July 2000, the GSC welcomed Harding University and Ouachita Baptist University, making it the largest NCAA-playing conference at any level with 18 schools. MUW dropped its athletics program at the end of the 2002-03 season, decreasing the membership to 17. Central Arkansas reclassified to Division I and Lincoln Memorial moved to the South Atlantic Conference following the 2006-07 year. Montevallo's departure for the Peach Belt Conference dropped the number to 14 in 2009-10.

The GSC moved away from divisional play after the 2010-11 season after its six Arkansas members broke away, dropping the membership to eight. The league implemented a five-year expansion plan in 2012 resulting in the addition of new members Shorter University (2014-15), Union University (2014-15), Lee University (2015-16) and Auburn University at Montgomery (2019-20) along with the return of Mississippi College (2016-17) and Montevallo (2017-18). The Conference also adopted affiliate memberships to boost its ranks, resulting in sport-specific members, Florida Tech (football), North Greenville (football-2018), Spring Hill College (men's and women's soccer and women's golf-2017-18) and Young Harris College (women's lacrosse).

Former Commissioner Jim McCullough moved the GSC office to its current location in Birmingham, Ala. in 1979. Current Commissioner Matt Wilson is in his third year at the helm. He is assisted by Assistant Commissioner for Championships/Video Michael Anderson, Assistant Commissioner for Compliance/Special Events Andrea Anderson, Assistant Commissioner for Sports Information Nick Moeller and Director of Engagement Michael Stagno. The Chair of the GSC Board of Directors is Dr. William LaForge (Delta State). Joining him on the Executive Committee are Vice-Chair Dr. Don Dowless (Shorter) and Past-Chair Dr. John Smarrelli (Christian Brothers). The Supervisors of Officials are Jeff Roberson (Football), John Caldwell (Basketball), Mike McCray (Baseball), Eric Ackerman (Soccer) and Craig Stone (Softball).

GSC AND THE HARLON HILL TROPHY

HARLON HILL TROPHY FAQ

WHAT IS THE HARLON HILL TROPHY?

The **Harlon Hill Trophy** is the Division II version of the Heisman Trophy. Named for former Florence State (now North Alabama) standout Harlon Hill, the Trophy recognizes the player selected as the "best" in Division II by the sports information directors at the 156 Division II schools which play football.

WHO IS HARLON HILL?

After four stellar seasons at Florence State, Hill played nine years (1954-1962) in the NFL with the Chicago Bears, Pittsburgh Steelers and Detroit Lions. In eight seasons with the Bears, Hill was a three-time All-Pro selection (1954-56) and a three-time Pro Bowl honoree (1955-57). He was named "Rookie of the Year" in 1954 after catching 45 passes for 1124 yards and 12 touchdowns. In 1955, Hill won the Jim Thorpe Trophy as the NFL's "Most Valuable Player." During his NFL career, he caught 233 passes for 4717 yards and 40 touchdowns.

Hill is a very deserving member of three halls of fame (Helms Athletic Foundation Hall of Fame, Alabama Sports Hall of Fame and the UNA Athletic Hall of Fame) and is a retired principal of Brooks High School in his hometown of Killen, Alabama.

HOW IS THE WINNER SELECTED?

The nominations are submitted by the sports information directors at the 156 NCAA Division II schools which compete in football. The nominations are then broken up into the Northeast, South, Midwest and West regions.

The chairman of each regional advisory committee polls his members to determine who the top six players are from their respective region. The regional selections are then forwarded to the Voting Coordinator who updates biographies on each nominee and compiles the regional ballot.

The 24 players (maximum) are candidates for the award and are voted on by the SIDs. The top two selected in each region then move on to the national ballot. The eight players selected for the national ballot are then voted on nationwide by all sports information directors at Division II football-playing institutions. These eight are the FINALISTS for the award. The final vote count is compiled by the Voting Coordinator and is kept secret until the presentation banquet and the top three vote-getters are invited to the awards banquet.

WHEN IS THE TROPHY PRESENTED?

The Harlon Hill Trophy is presented during the week of the NCAA Division II Football Championship Game in Florence, Alabama. This year, the 22nd annual **Harlon Hill Trophy** will be presented to the Division II "Player of the Year" on Friday, December 11 at the Florence Conference Center in Florence, AL at 6:30 pm.

GSC AND THE HARLON HILL TROPHY

The Harlon Hill Trophy has its roots firmly planted in the Gulf South Conference. Since its creation in 1986, the GSC has recorded 75 candidates, 32 finalists and five winners. In 2003, North Alabama quarterback Will Hall became the fifth GSC player, third in five seasons, to take home the trophy. Valdosta State quarterback Dusty Bonner earned back-to-back trophies in 2000 and 2001, while former VSU signal caller and Head Coach Chris Hatcher claimed the trophy in 1994. North Alabama linebacker Ronald McKinnon won in 1995, becoming first-ever defensive winner. The GSC has advanced a player to the final ballot 24 times during the trophy's 29-year history. The Conference earned a finalist for 14 consecutive seasons, capped by Delta State quarterback Micah Davis third-place effort in 2011. The GSC also made history in 2007, placing three players on final ballot (Delta State linebacker Scott Eyster, Harding quarterback David Knighton and North Alabama quarterback A.J. Milwee).

GSC DIVISION II HALL OF FAME INDUCTEES

The Division II Football Hall of Fame was created in 1999 in order to honor athletes who have competed on the NCAA Division II level since the division was created in 1973.

Selection Criteria

A player must have played the majority of his career, or the most significant portion (as determined by the executive committee), in the NCAA Division II (The school must have been an active member of the NCAA Division II at the time the athlete competed).

The initial ballot consists of players nominated for the NCAA Division II Football Team of the Quarter Century. Additional players may be nominated by the sports information office at the NCAA Division II school that they competed.

A player becomes eligible for consideration, ten years after his last year of intercollegiate football played.

Each nominee's football achievements on the collegiate level are the prime area of consideration, but the selection will also take into account the player's professional football career and post football life and achievements.

Players and coaches who are playing or coaching on the professional level are not eligible until after they retire.

Voting Procedure

The selection committee membership will be determined by Hall of Fame co-chairmen. The selection committee will consist of 22 people. Twelve of the committee members will be permanent members, while the other 10 will rotate every three to five years.

Selection committee members will annually be provided updated biographical data on all candidates for their voting process. The selection committee will then vote on ten candidates each year and those selections will then be ranked and reviewed by the selection committee chairmen.
