## Kansas Relays Highlights

### 1923

Kansas dominated its first Relays in Memorial stadium, sweeping the 440 and 880 yard relays, finishing second in the mile baton event and third in the two-mile. Merwin Graham and Tom Poor chipped in with individual victories for the Jayhawkers, Graham bagging the broad jump at 22'1½" and Poor skimming over 6'¼" in the high jump. Erwin of Kansas State won his first of two 100-yard dash crowns in :10.1 on a sloppy track while McKown, Emporia Teachers' great pole vaulter, was gathering the first of his three straight titles at 12'9". Illinois Angier, American record holder in the javelin, bagged his specialty with a cast of 193'5". Frazier, Baylor's National AAU hurdles king, finished fourth in the 120-yard highs, which Crawford of Iowa took in :15.5. Almost every event was run in a steady rain.

### 1924

Little Occidental college came out of California to make one of the most wholesale sweeps in Kansas Relays history. Coach Joe Pipal's gang slammed all four baton events in the college class, the 880, mile, two mile and medley and invaded the University division for a triumph in the quartermile.

All four of its wins in the college class went for records, snapping marks made in the first relays in 1923. The Californians toured the half in 1:31.5, the mile in 3:23.3, the two mile in 8:12.0 and the medley in 7:48.0.

### 1925

This Relays was one of the most eventful on record. Kansas and Illinois smashed world records in the 440 and 880 yard relays, McKown of Emporia Teachers pole vaulted to a new intercollegiate record of 13'2¾" and Schwarze of Wisconsin fired the shot 49'10½" to erect a Relays mark which was to stand for eight years.

The Jayhawker quarter mile quartet of George Powers, Timluke Wongwai, Howard Rooney and Ray Fischer hung up :42-flat for their effort. Illinois blazed a 1:27 with Schoch, Yarnell, Hughes and Evans.

The remainder of the University baton marks went by the boards also. Grinnell shattered the mile at 3:20.4, Iowa State became

the first team to dip below 8 minutes in the two mile at 7:56.2; and Oregon State lowered the four mile standard to 18:07.8.

Ed Weir, Nebraska track and football great, smashed the 120-yard high hurdles mark with a :15-flat performance. Crawford of Iowa had won the first two meets in :15.5.

Another Cornhusker, Roland Locke, equalled the 100-yard dash mark in :10-flat.

### 1926

Big John Kuck, the Wilson, Kansas, behemoth, and Roland Locke, Nebraska's famed sprinter, shared honors at the fourth Relays. The massive Emporia Teachers weightman won the shot at 49'2½" and set a javelin mark that survived for 11 years with a heave of 206'6¼". Kuck, who was coached by Bill Hargiss, later K.U. track and football tutor, went on to win the shot put at the 1928 Olympic with a pitch over 52 feet.

Locke equalled the world's record for the 100 yard dash with a steaming :09.6, but it was disallowed because of the wind.

Frank Potts, present Colorado track coach, then an Oklahoma pole vaulter, tied for first in that event with Wirsig of Nebraska and Carter of Kansas State at 12'11½".

Occidental ran off with the half mile and mile titles in the college class relays.

### 1927

Notre Dame equalled the world's record for the quarter-mile relay with a blazing :41.6. This stood as a Kansas Relays mark for three years. Iowa took the half mile baton event in 1:28.3 when Kansas, which finished in front, was disqualified. The Hawkeyes also won the mile in 3:20.1, a tenth of a second off the record they had set the previous season.

Whitlock came all the way from Oregon State to win the javelin throw but his distance of 190'3" was the lowest on record up to that time.

### 1928

Jack Elder, Notre Dame's famous halfback, won the 100 yard dash in :10-flat.

Kansas won the quartermile relay in :42. and Missouri broke through for its first baton triumph by waltzing a 8:03 triumph in the two mile event. Oklahoma won the newly inaugurated distance medley in 10:37.2.

Howell of the Sooners set a new discus rec-

ord with a fling of 141'9". Tom Churchill, also of O.U., won the first Relays decathlon with a total of 7384.85.

### 1929

Tom Churchill, Oklahoma's great all-round athlete, returned to snare his second successive decathlon crown, defeating the talented Oneida, Wilson "Buster" Charles of Haskell by 24 points on a score of 7422. Charles led until the last event in an afternoon of heavy rain.

Despite the downpour two records went down. George Otterness of Minnesota and Tom Warne, Northwestern, climbed over 13'4¾" to share the pole vault title while Beattie of Colorado Aggies was breaking Howell's discus standard at 146'9½".

Jack Elder, who was destined to beat Army the following fall with his storied interception of a Chris Cagle pass, won his second 100 yard dash medal in :09.8.

Leas of Indiana whipped K.U.'s distance star, Poco Frazier, in the 3000 meters after trailing the Jayhawker until the final 220 yards.

### 1930

Cy Leland, Texas Christian's most famous speed king, smoked to a Kansas Relays record of :09.4 in the 100 yard dash, whipping such noted figures as Claude Bracey of Rice and Michigan's Eddie Tolan, in that order. This record still stands on the Kansas Relays books.

Tolan, who later won the 100 and 200 meters for the United States in the 1932 Olympics, anchored the Wolverines to a win in the 880 yard relay at 1:26.7, a tenth of a second above the record. His teammates were Seymour, Smith and Campbell.

Illinois set a new Relays record of :41-flat in the quartermile relay, a figure which also tied the world mark for that distance. Useman, Dickenson, Cave and Paterson were the Illini runners.

Indiana snapped the four mile record at 18:03.4 with Brooksmith, Kemp, Leas, and Clophorn while Marquette was establishing a new standard for the distance medley at 10:28.7 with Moyan, Sweeney, P. Walter and J. Walter.

Lee Sentman, lean hurdler from Illinois,
