

Kansas Relays Volunteers Needed April 16-18, 2015

The KU Track and Field office is busy with preparations for the 88th edition of the Kansas Relays. It takes many generous volunteers to put on the relays. We are asking for your help with this great Kansas tradition.

No experience is required, sign up for 3 hours or more and receive a Kansas Relays shirt and meals are provided while working the event. The relays are a great opportunity to see future Olympians in action, as well as support the KU track and field team!

It is fun way to collect community service hours!!

Volunteer help is needed at our new Rock Chalk Park

6100 Rock Chalk Dr. – (North of 6th Street & George Williams Way)

During the following times:

Thursday	April 16	8am – 10pm
Friday	April 17	7am – 9:30pm
Saturday	April 18	7am – 5pm

If you are interested in volunteering, you can contact:
