## MISSOURI VALLEY CONFERENCE ANNOUNCES 2016-17 ACADEMIC AWARDS

ST. LOUIS – Seventy-four student-athletes highlight more than 1,500 who earned selection to the 2016-17 Missouri Valley Conference Honor Roll, as announced by the league office. Those 74 student-athletes earned the league's highest academic achievement by capturing the Missouri Valley Conference President's Council Academic Excellence Award.

The President's Council Academic Excellence Award requires a minimum 3.8 cumulative grade point average (through Spring 2017 semester), participation in athletics a minimum of two years, and the student-athlete must be within 18 hours of graduation. Also, hundreds of student-athletes received the league's Commissioner's Academic Excellence Award, which requires a minimum grade point average of 3.5 for the previous two semesters, a minimum 3.2 cumulative grade point average, and participation in athletics.

In addition, the Missouri Valley Conference has announced its 2016-17 Honor Roll, which recognizes academic achievement of student-athletes. To qualify for the Valley Honor Roll, a student-athlete must have recorded a minimum 3.2 grade point average for a specified term (Fall 2016/Spring 2017), must have been a member of an athletics team, and must have a minimum of 12 hours of enrollment during the fall or spring semesters.

## PRESIDENTS COUNCIL ACADEMIC AWARD RECIPIENTS

Name	Sport	School			
Bobby Jacobs	Men's Golf	Bradley	Samantha Ward	Gymnastics	Illinois State
