Colin Carmichael*

GOAL ORIENTED

Joining the Oklahoma State University Goal Club is a simple, yet fun, way to support the OSU Cowgirl Soccer program ... with exciting possibilities during each possession.

Members of the OSU Goal Club will agree to donate a specific dollar amount for every goal scored and

shutout earned by the Cowgirls during the 2016 season (# of goals or shutouts X pledge = total donation). Supporters may also choose to double pledges for goals or shutouts during postseason play.

All donations received through the Goal Club will be earmarked for special needs or projects above and beyond the soccer program's annual operating budget to enhance the student-athletes' experience.

Donations to the Goal Club may qualify for a tax deduction. (Please consult your tax adviser for specific information.) Goal Club donations will qualify for Priority Points, as well as annual POSSE benefits. For more information about POSSE membership, visit okstate.com/posse or call 405-744-7301 / 877-2B-POSSE.

Recent Goal Club contributions have helped provide Cowgirl Soccer with a number of facility enhancements, including locker room upgrades and a video board for home games, as well as attractive signage and banners around the stadium.

In 2015, the Cowgirls scored 36 goals and recorded 8 shutouts.

"The Goal Club is truly the heart and soul of our fanbase. We couldn't do it without you!"

– Colin Carmichael, Head Coach
