NEW YORK, NY – Skyline Conference Commissioner, Linda Bruno has announced the Academic Honor Roll for the 2016 Fall sports season, which honors student-athletes in the conference with a 3.3 grade point average or better while competing in men's and women's cross country, men's golf, men's and women's soccer, women's tennis and women's volleyball.

"It is an honor to recognize these student-athletes – who truly exemplify what the student-athlete experience is all about," said Bruno. "Their ability to excel academically and athletically is a testament to the hard work and dedication they put in, and should serve as an example to all."

Listed below are the 465 members of the Academic Honor Roll for the Fall of 2016, from the conference's 12 member institutions:
